One Fine Night

"The best night we have ever had!"

— Halifax Club

SHOWS

Four-course gourmet dinner paired with five exquisite wines by Ed Simmons.

ONE FINE NIGHT — Decorated in the atmosphere of a 1950s Paris jazz club, Mike emcees the evening and leads **Waterbabies** and **010** in a cool and smooth jazz concert between courses and after dinner.

Mike recreates the roar of the 1920s swing era with a jumping hot band. Outfitted in classic suits, and porkpie hats, feet start tapping and smiles are everywhere as the band parades into the room to begin the show!

WHEN SWING WAS THE THING — Comedy and sing-a-longs, virtuoso performances, four-part vocal harmonies, and a drum solo have audiences on their feet! **Tiyaila Cain-Grant** the youngest winner of New York's legendary Apollo Theater amateur hour, recreates the role of the torch singer. A dance team swings out with a show stopping routine based on the energetic dances of the day.
